

The screenshot displays the Nagios Index Overview dashboard. At the top, it shows system status and navigation links. The main content area is divided into several sections:

- Index Statistics:** A summary of key metrics: 7723338 Documents, 210 Total Shards, 210 Successful Shards, 18 Indices, 2.7GB Primary Size, and 5.4GB Total Size.
- Indices Table:** A table listing individual indices with columns for Index, # Docs, Primary Size, # Shards, # Replicas, and Status.
- Visualizations:** Includes a world map, a line graph for live metrics, a pie chart for top terms, and a bar chart for search per time.
- Navigation:** A sidebar on the left provides access to various system settings and management tools.
